Schedule of Business Income and Expenses

Year Ended 31 Dec

Your Name

TIN

Type of business

Income

A $

Cost of sales (if applicable)

Opening Stock B $

Purchases C $

Closing Stock D $

Add box B and box C and subtract box D. Print the answer in box E. E $

Subtract box E from box A. Print the answer in box F. F $

Other Income G $

Total gross income. Add box F and box G. Print the answer in box H. H $

Expenses

ACC	$
Advertising	$
Bad Debts	$
Communication	$
Depreciation (if applicable)	$
Insurance	$
Office Equipment	$
Interest	$
Legal fee	$
Motor vehicle expense	$
Power	$
Rents and Rates	$
Repairs	$
Salaries and Wages	$
Liquor License	$
Business License	$
Other expenses not shown above	$

Total Expenses. Add up all expenses shown above and print the answer in box I I $

Subtract Box I from Box H and print the answer in box J. Transfer this to box 13 on your sole trader Income Tax return J $

Tax Calculation

21. Copy your taxable income from box 18 to box 21. **21** $

Copy your Salary and Wage income from box 20 to box 21A **21A** $

Add box 21 and box 21A together and print the answer in box 21B **21B** $

If the amount in box 21B is **below $15,000** go straight to question 22 and enter $0.00 tax to pay in box 22A OR

- If the amount in box 21B is **over $15,000 and less than $25,000** use column 1 OR
- If the amount in box 21B is **over $25,000** please use column 2.

1 Use this column if box 21B is over $15,000 and less than $25,000

Print amount from box 21B in A — A

Subtract $15,000 from A and print answer in B — B

Multiply amount in B by 20% and print answer in C — C

Copy this amount in C to box 22A

2 Use this column if box 21B is over $25,000

Print amount from box 21B in A — A

Subtract $25,000 from A and print answer in B — B

Multiply amount in B by 27% and print answer in C — C

Add $2,000 to amount in C and print answer in D — D

Copy this amount in D to box 22A below

22. Tax on taxable income: Use the following calculations to work out your tax. If the question does not apply to you, then enter a zero in the box.

If box 21B is less than $15,000 then enter $0.00 in box 22A or, copy the amount from either box C in column one, or box D from column 2 to box 22A. **22A** $

Transfer the total capital gains tax from box 19A to box 22B **22B** $

Add box 22A and box 22B together and write the amount in box 22C **22C** $

Transfer the total salary and wage tax paid from box 20A to box 22D **22D** $

Subtract Box 22D from Box 22C and print the answer in box 22E. Note: If box 22D is greater than Box 22C print $0.00 as salary and wage tax is not refunded. **22E** $

Transfer the total overseas tax paid from box 15A to box 22F **22F** $

Subtract box 22F from box 22E and print answer in box 22G. Note: If box 22F is greater than box 22E, print "0.00" in Box 22G as overseas tax credits cannot be refunded **22G** $

Transfer the total tax withheld from box 14A to box 22H **22H** $

Subtract box 22H from box 22G and print the answer in box 22I. (Show a negative figure in brackets and then enter zero in 22J) **22I** $

Enter the amount of 2025 provisional tax paid in box 22J **22J** $

Subtract box 22J from box 22I. If 22J is greater than 22I then this is your refund. If box 22J is less than 22I then this is your tax to pay. **22K** $

Refund ○ Tax to pay ○

2026 Provisional tax

23. Is the amount in Box 22I tax to pay (before you offset the 2025 provisional tax)?

No ◯ Go to Question 26 Yes ◯ You have 2026 provisional tax to pay go to question 24

24. Is the amount in box 22I more than $500?

No ◯ Your provisional tax is the same amount as shown in 22I and due in one instalment on 31 March. Go to question 26.

Yes ◯ Your provisional tax is payable in three instalments with each instalment being one third of the amount in box 22I. Go to question 25.

25. Enter the amounts due for provisional tax in the boxes below. The dates shown are for a standard balance date of 31 December. If you have a different balance date and you don't know your provisional tax due dates, please contact us. If you would like to estimate your 2026 provisional tax to be different to the standard calculated option, please tick the estimate indicator and enter your estimated amounts below. Note there are penalties that will be applied if your estimated amount is less than 80% of your next years residual income tax.

First provisional tax payment due 31 March 2026	25A	$
Second provisional tax payment due 31 July 2026	25B	$
Third provisional tax payment due 31 October 2026	25C	$

26.Have you ceased business?

No ◯ Go to question 27 Yes ◯

There are penalties for not filing a tax return or for filing a false return.

What to do next

- Attach any evidence of tax withheld to your return
- Attach your full financial statements to your return
- Print your name and TIN on all other papers that are attached to your return.
- Send your return to Inland Revenue Services, Box 1877, Apia on or before the 31st of March, unless you have an extension of time or a non-standard balance date approved by the CEO of the Ministry for Revenue
- If you have tax to pay, this is due by the 31st March 2026. You can pay earlier if you want to. If you want to pay now, staple your cheque to the front page of this return. If you think you may have difficulty paying your tax, please call our Collections division on 20411 and they may be able to set up an instalment arrangement to help you pay your tax off.

If you need help with this form:
